TERMS OF SALE

All orders are accepted subject to previous sale and condition of stock and under following terms and conditions.

Prices

All prices in this list are F. O. B. Worthington, or Columbus. Free deliveries will be made in Columbus and vicinity on any orders amounting to \$3.00 or more. 1 dozen 25c plants of a kind \$2.50. 1 dozen 35c plants of a kind \$3.50. 6 plants of a kind at dozen rate.

Shipping

We will use our own judgment in effecting prompt and safe delivery of your plants unless shipping directions accompany order.

Payments

Cash must accompany orders unless customer is known to us and has an established credit.

Planting Time

Perennials may be planted from the last of March to the first of October, providing proper care in shading and watering is taken during the hot weather. However stock that must be packed and shipped can only be handled during the regular spring and fall seasons.

Guarantee

We guarantee every plant sold by us to be strong, vigorous and healthy and to deliver them to you in good condition. If for any reason you are not satisfied with your stock when it is received, advise us at once and we will gladly replace the item or refund the money.

We are constantly trying out new plants and varieties. As fast as they prove their worth they will be added to our list.

We grow a complete line of Nursery Stock, including Shrubs, Evergreens, Trees, Hedges, Vines, Bulbs, etc.

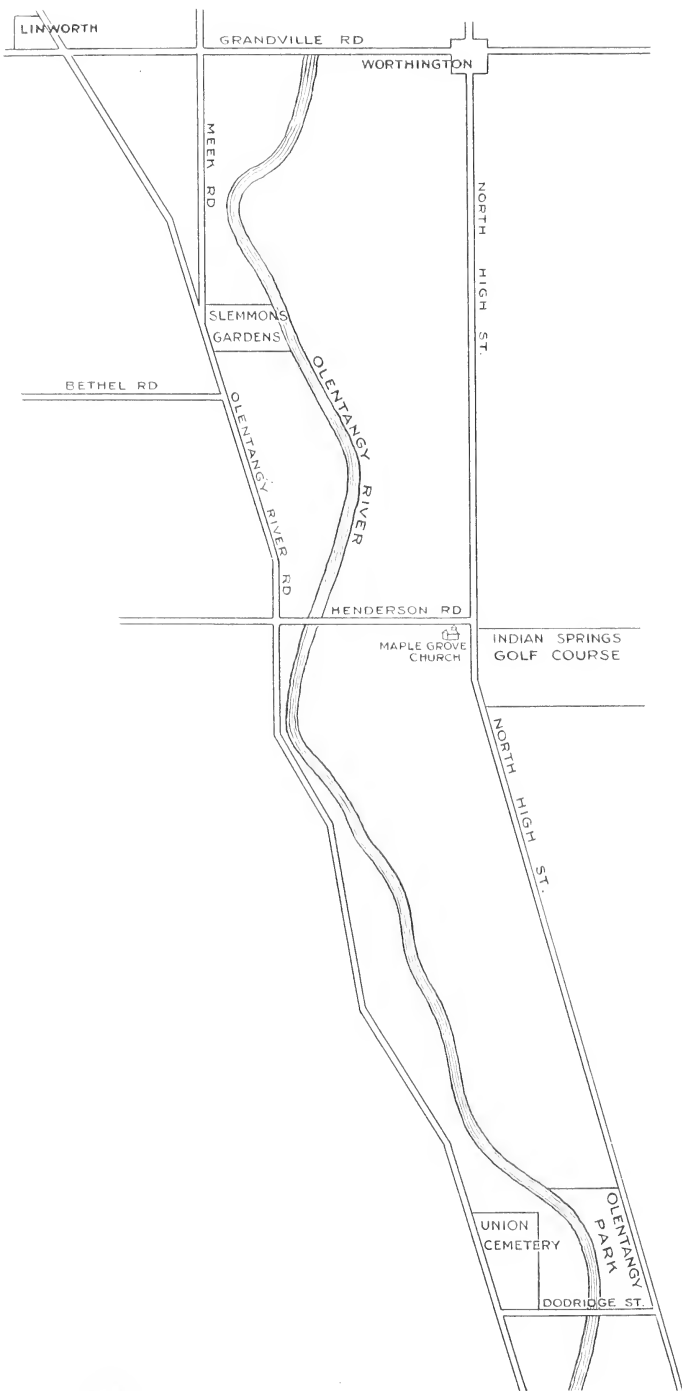

Our Landscape Service includes the making of Plans, Construction of Pools, Rock Gardens, Walks, Drives and Maintenance Work.

We have for sale Stone Benches, Bird Baths, Trellises, Fertilizer, Peat Moss, Grass Seed, Spray Materials, etc.

No longer do we confine our planting to the busy Fall and Spring seasons. Planting can be done at most any time of the year that the weather will permit. Shrubs and Evergreens may be planted any time during the summer, providing they are dug with a ball of dirt. Planting can also be done any time of the winter that the ground is not frozen.

We specialize in the winter moving of large trees.
